

**BBS Next Generation Seminar on
Thriving Careers:
Navigating Bias, Reinventing Yourself, and
Essential Skills for Employability**

FRI, 20th SEPTEMBER 2024, 13 - 17:15

**In-person only @ Roche Basel; Meeting point: Reception @ Bau 1
Grenzacherstrasse 124, 4070 Basel; Building 71, Small Auditorium**

This event will focus on hiring, skills needed to remain employable and competitive as well as assembling and developing cross-functional diverse high-performing teams. The speakers will bring in diverse perspectives, including those of the hiring manager, HR, and recruiter. The agenda will be a mix of talks and interactive sessions to give the opportunity to share views and gain useful insights.

Participation is free of charge. **Please register via the following link [HERE](#).**

The Next Generation event series focus on soft-skills, professional development, and networking. The in-person meetings are specifically dedicated to support the next generation of statisticians and quantitative scientists in the pharmaceutical industry in order to succeed in the future and to become influential. We welcome people of all ages and experience levels, including those keen on understanding and supporting the endeavors of the next generation. This is a space where we can express our ideas, unite our voices, and create opportunities.
